Being a member of the ALIMA association offers you the opportunity to contribute to ALIMA's future and long-term vision, stay informed of key decisions, and elect the members of the Board of Directors that validates the strategic objectives of our NGO.

As President of the ALIMA association, one of my wishes is to further strengthen our association, build ALIMA up as a space for exchange where our strengths are brought together and where we can all grow together while holding on to our identity and our ideals. I am counting on your support.
